

# Transforming Healthcare in South Carolina

April 18, 2013 ~ DoubleTree by Hilton, Columbia

*presented by*

Transforming Healthcare in South Carolina, presented by Pfizer, Inc., will feature various topics including healthcare's impact on economic development, payer perspective, the cost of healthcare, a healthy workforce and much more. The summit is aimed at educating South Carolina employers on prominent healthcare topics and serving as a platform to link employers with state health systems to improve quality of care, while lowering costs of care. A wide range of statewide and nationally recognized industry experts will be speaking during the summit. We brought together statewide and national leaders from the highest levels of their fields, providing a unique networking opportunity.
